Date :2011-08-01 version 1. which the Modern Communication Complex Experimental Course by Wang Yanchun editor. mainly for undergraduate students in Higher Education Electricity comprehensive experimental teaching communication basic requirements and editor with years of teaching. research and engineering practice writing. This book includes communication theory. MCS-51 microcontroller systems. EDA design and simulation. DSP technology. ARM processors. signal and communication systems and fiber optic technology and other related experimental content. in addition to basic experiments. but also designed a comprehensive. design development of pilot projects and innovative pilot projects. Book focus on the basic theory of modern communications and electronic technology to enhance analytical methods. focusing on students' ability and design ability. the course will help students to learn in depth knowledge of research and practical application of the capacity to adapt to the new century. education. education reform and scientific and technological development. This course is a communications. electronics and other professional courses compulsory professional experiment. Modern Communication Complex Experimental Course Electricity as a professional undergraduate colleges experimental teaching books. college textbooks or test innovative training reference. can be used as reference books related to engineering and technical personnel. Contents: Chapter 1. the basic theory of communication Experiment a PCM codec system experiment two AMI/HDB3 terminal interface code scrambling experiment experiment Experiment 3 Experiment 4 CMI pattern transformation experiments Experiment 5 2DPSK FSK transmission experiment six SCM transmission systems Chapter 2 Experimental 2.1 Keil and LJD-SY-5200 development board 2.2 Proteus experimental simulation environment 2.3 MCS-51 microcontroller MCS-51 experimental test an experimental two assembler instructions and programmer using the emulator microcontroller IO port output Experiment 3 Experiment 4 Experiment IO port input experimental chip...
