INTERNAL MEDICINE - MEDICAL SCHOOL CRASH COURSE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. AudioLearn's Medical School Crash Courses presents Internal Medicine. Written by experts and authorities in the field and professionally narrated for easy listening, this crash course is a valuable tool both during school and when preparing for the USMLE, or if you're simply interested in the subject. The audio is focused and high-yield, covering the most important topics you might expect to learn in a typical medical school internal medicine course. Included are both capsule and detailed explanations of critical issues and topics you must know to master the course. The material is accurate, up to date, and broken down into bite-sized sections. There is a "Q & A" and "Key Takeaways" section following each topic to review questions commonly tested and drive home key points. In this course, we'll cover the following topics: Critical care medicine Cardiac care Endocrinology Gastroenterology Geriatric Medicine Hematology Oncology Infectious Disease Nephrology Pulmonology Rheumatology Hepatology Also included is a comprehensive test containing the top 100 most commonly tested questions in Internal Medicine with the correct answers. To get the most out of this course, we recommend that you listen to the entire audio once while taking notes, then go back and listen to areas you had difficulties with. AudioLearn's Medical School Crash Courses support your studies, help with USMLE preparation and provide a comprehensive audio review of the topic matter for anyone interested in what medical students are taught in a typical medical school course.
